Tap—Various styles of tap are presented ranging from Broadway style to the more syncopated jazz style of “rhythm tap.”

Jazz—Jazz is a dance form that explores many different styles ranging from lyrical to traditional. This class will emphasize technique, alignment, musical variation, and jazz combinations.

WELCOME TO SUNSET ACADEMY OF DANCE!

Welcome to Sunset Academy of Dance! I am Lisa Brown, the owner of Sunset Academy of Dance. I have been teaching dance to all ages for over 34 years. I taught at many different dance studios throughout the Bay Area before opening my own studio in October 1997. Sunset Academy of Dance is a wonderful place to learn to dance. I offer classes in tap, jazz, lyrical/contemporary, hip hop, and children's combination classes. The studio also offers competitive classes as well. I have a very talented teaching staff. Students will learn technique as well as have fun in class. Students will end their dance year with a spectacular show in June. At Sunset Academy of Dance, we focus on developing confidence, coordination, musicality, rhythm, team work and a love for dance for our students.

TUITION

Monthly tuition is due each month for the dance year from August to May. Tuition is based on the total number of hours danced in a week by one student or by siblings. When taking a 45 minute class, tuition is a set amount. It is not applied to the total number of classes taken in a week. Tuition is payable each month. Tuition is due the first lesson of each month and late after the tenth of the month. A \$10 late fee will be applied for each month tuition is paid after the tenth of the month. An invoice will not be sent unless payment is late. Tuition is based on an average of four lessons per month (for a one hour/week class). There are certain holidays when the studio is closed and some months will have more than four classes. This balances out throughout the course of the year. Full tuition is due each month regardless of missed classes or scheduled holidays. You must pay tuition even if you stop for a month and start up the following month. You may submit your tuition payment by bringing it to the studio in the form of check or cash. (There is a tuition slot on the cabinet in the front lobby.) You may also pay by credit card or with PayPal using the registration website (parent portal) either by setting up monthly recurring payments or one-time payments. Make up classes are provided and must be used within one month of being absent. You are not allowed to make up in your own registered class. A \$25 fee will be charged for all returned checks.
